Other information which may be relevant to distributors

This document is to be read in conjunction with the full policy wording.

The distribution strategy is considered appropriate for the target market with customers having the option to purchase these products through a distributor of their choice. This product may be sold by suitably skilled agents/sub-delegates:

- On an advised basis
- face-to-face
- via telephone

To ensure the customer receives fair value for this product and that they are able to make an informed choice:

- The customer's demand and needs must be assessed to ensure the product is appropriate,
- significant or unusual exclusions should be highlighted,
- care must be taken to ensure no duplicate cover exists or is created by an add-on,
- available add-ons and optional extras should be highlighted with the same emphasis as the main sections of cover,
- commission, fees or charges passed onto the customer must be proportionate to the service provided.
